About The EDGE Distributors Group

Founded in 1999, The EDGE Distributors Group™ consists of 14 independently owned regional distributors that primarily serve the audio, video and custom installation market and select retailers.

EDGE partners sell and support products aimed at residential value-added installers and specialty retailers. They encourage growth by their members and customers alike by carefully evaluating, then bringing to market the finest installation products available — emphasizing those that are reliable, innovative and exciting. EDGE members also highly value personal attention, and no dealer is ever treated as just a number.
