

Meet Our Wall-Mount NuVoDock.

NuVoDock for iPod is charting new territories -- your walls. The same great NuVoDock features of convenience and control, now available in an on-wall package.

Accessing a personal iPod through a NuVo system means guaranteeing you'll like what you hear, and the Wall-Mount NuVoDock offers this great functionality with a sleeker look than ever before. No more desktops and cable clutter, keep the installation both clean and convenient with the new NV-WMIPS.

- Compatible with a variety of Apple products, including the iPod touch and iPhone
- NuVoNet smart source communication for complete control and navigation from NuVo Control Pads (browse by playlist, track, artist, album, genre, or favorites)
- Plug-in-Play with Renovia, Concerto (I8G), and Essentia (E6G) systems
- iPod Fast Charging station
